Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

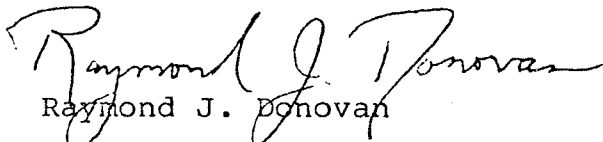

I invite you to join with me in lending support to the Thirty-sixth Annual Federal Safety and Health Conference which will be held on November 4-6, 1981, in Atlanta, Georgia, at the Atlanta Biltmore Hotel. Hotel reservations must be made no later than October 5 by calling the hotel on (404) 881-9500. This conference is sponsored by the Federal Advisory Council on Occupational Safety and Health. We expect at least 350-400 Federal agency representatives from headquarters and field installation levels will participate in the conference. Enclosed is a copy of the preliminary program.

The conference will present current information on Federal worker occupational safety and health programs to managers, employees and others responsible for and interested in them. We also plan to describe new policy and program initiatives recently developed to enhance these efforts.

I hope that you will encourage attendance of your top and mid-level managers, representatives of employee organizations, Field Federal Safety and Health Council chairpersons and other members of your staff who are directly responsible for your agency's safety and health program. It is important that we work together to ensure better protection of Federal employees.

We look forward to having you at the conference.

Sincerely,

Raymond J. Donovan

Enclosure
